To All Airport Staff and Fire Safety Managers

### LUNAR SEVENTH MONTH PRAYERS - FIRE SAFETY PRECAUTIONS

The Lunar Seventh Month for 2024 is from **4<sup>th</sup> August to 2<sup>nd</sup> September 2024**.

2 We wish to remind all staff performing prayers during the Lunar Seventh Month to adhere to the following fire safety precautions:

- a) Burning of offerings are strictly prohibited inside buildings and airside.
- b) Burning of offerings at landside is permitted **ONLY** from **4<sup>th</sup> August to 2<sup>nd</sup> September 2024** at designated burning site (refer to Annex A & B1 – B3 for details).
- c) Burning of offerings shall be contained within CAG approved burning bins; and
- d) Portable dry powder fire extinguishers of a minimum rating of 21A are available at the burning sites (refer to Annex C1 - 2 on how to use an extinguisher)
- e) NO vehicle shall be parked near the burning bins.

3 Do note that due to close proximity of Cargo Agent Building D (CAB 'D') to the CAFHI fuel tank, the designated burning site for CAB 'D' will be combined with Cargo Agent Building E (CAB 'E') – refer to Annex B - 3.

4 For ad-hoc request on stand-alone burning site, please contact AES for site assessment.
