# Evacuation Procedure : Methodology of Egress

Look out for the EXIT Sign and proceed to the  
Emergency Staircase.

Office Exit

Emergency Staircase

# Evacuation Procedure : Methodology of Egress

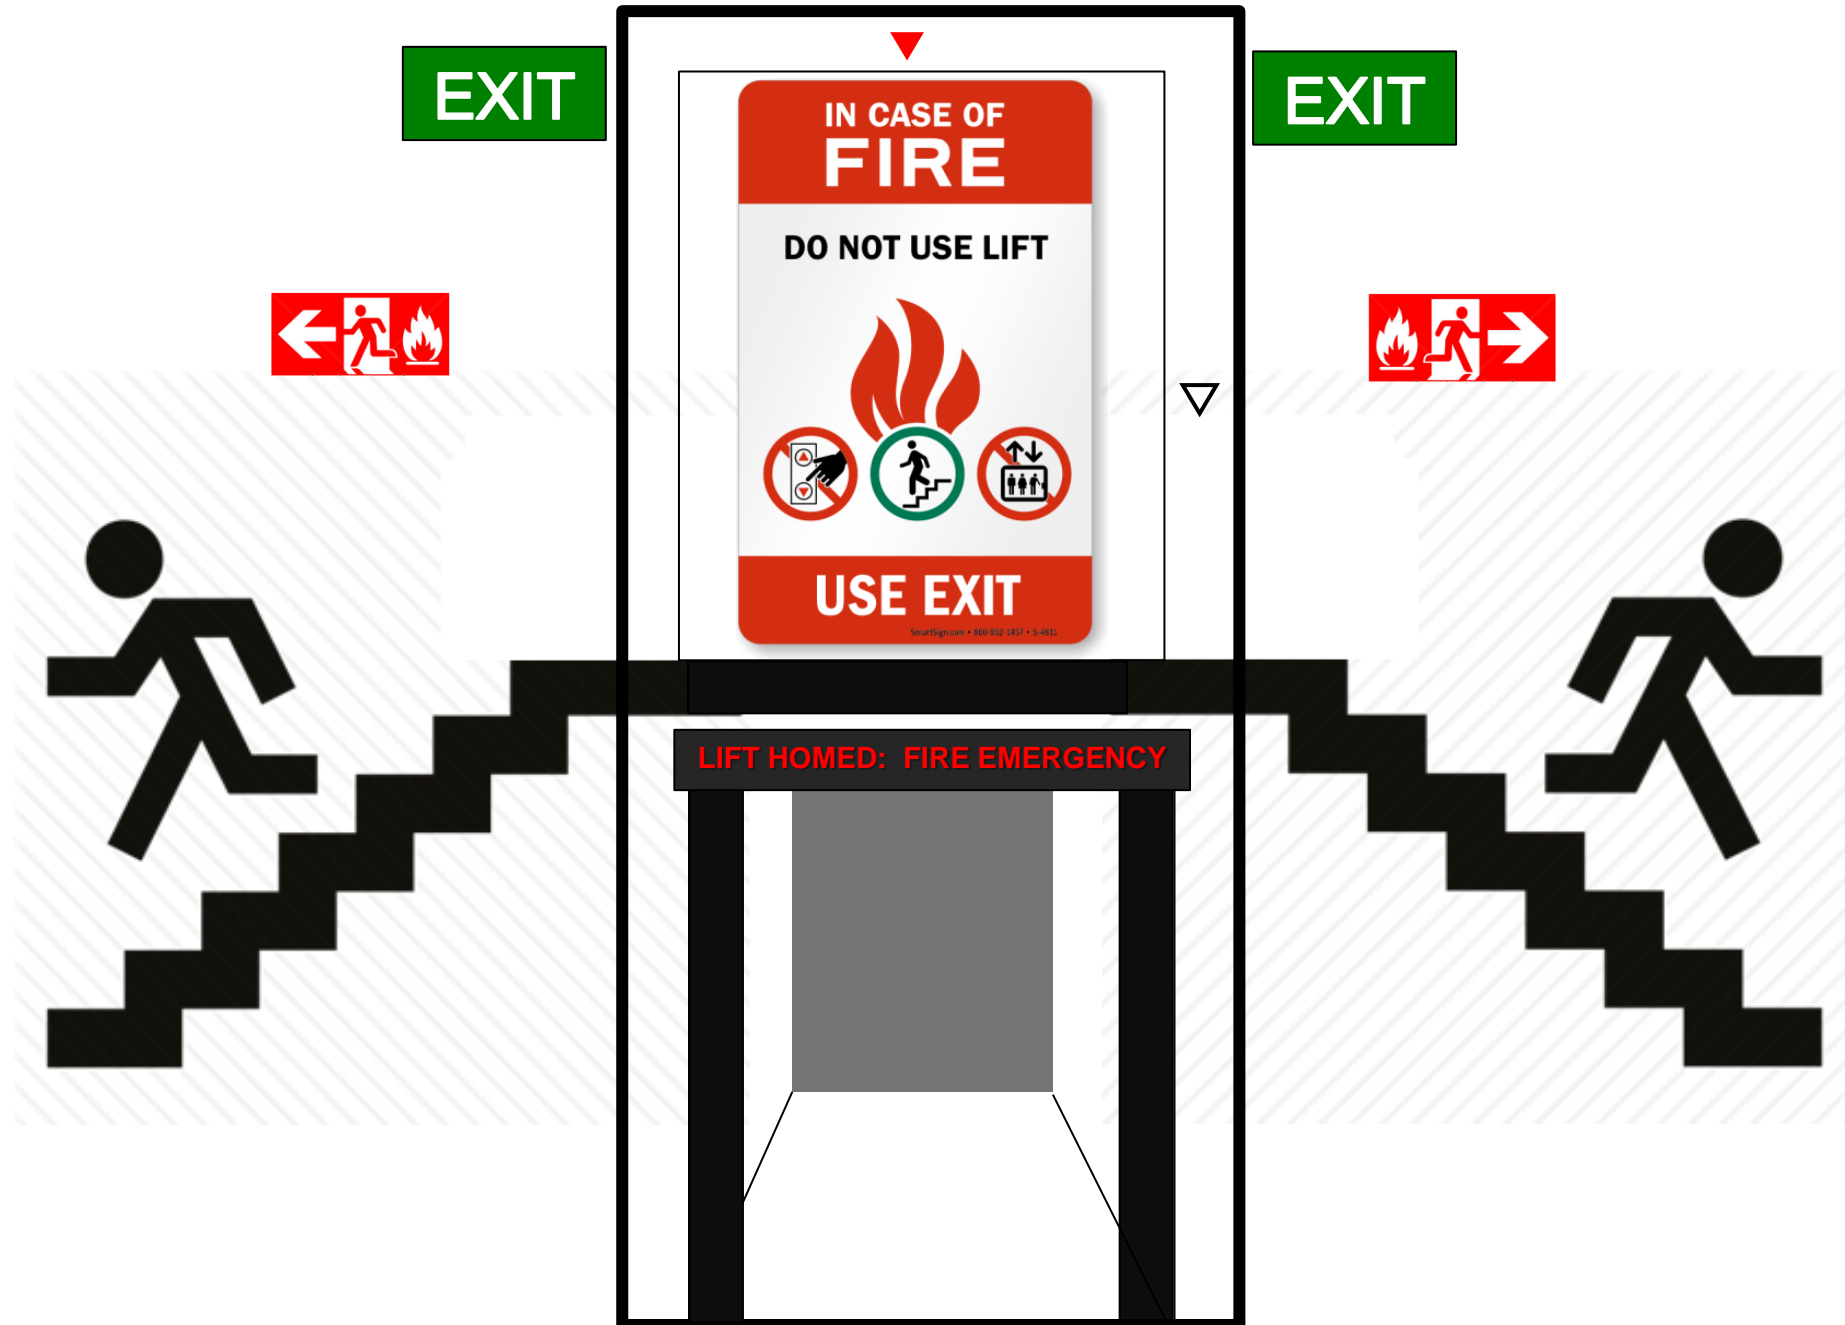

*Where  
line of sight*

*is obstructed,  
follow the*  
**Directional  
EXIT Sign**

# Evacuation Procedure : **DO NOT USE LIFT**

# Evacuation Procedure : Methodology of Egress

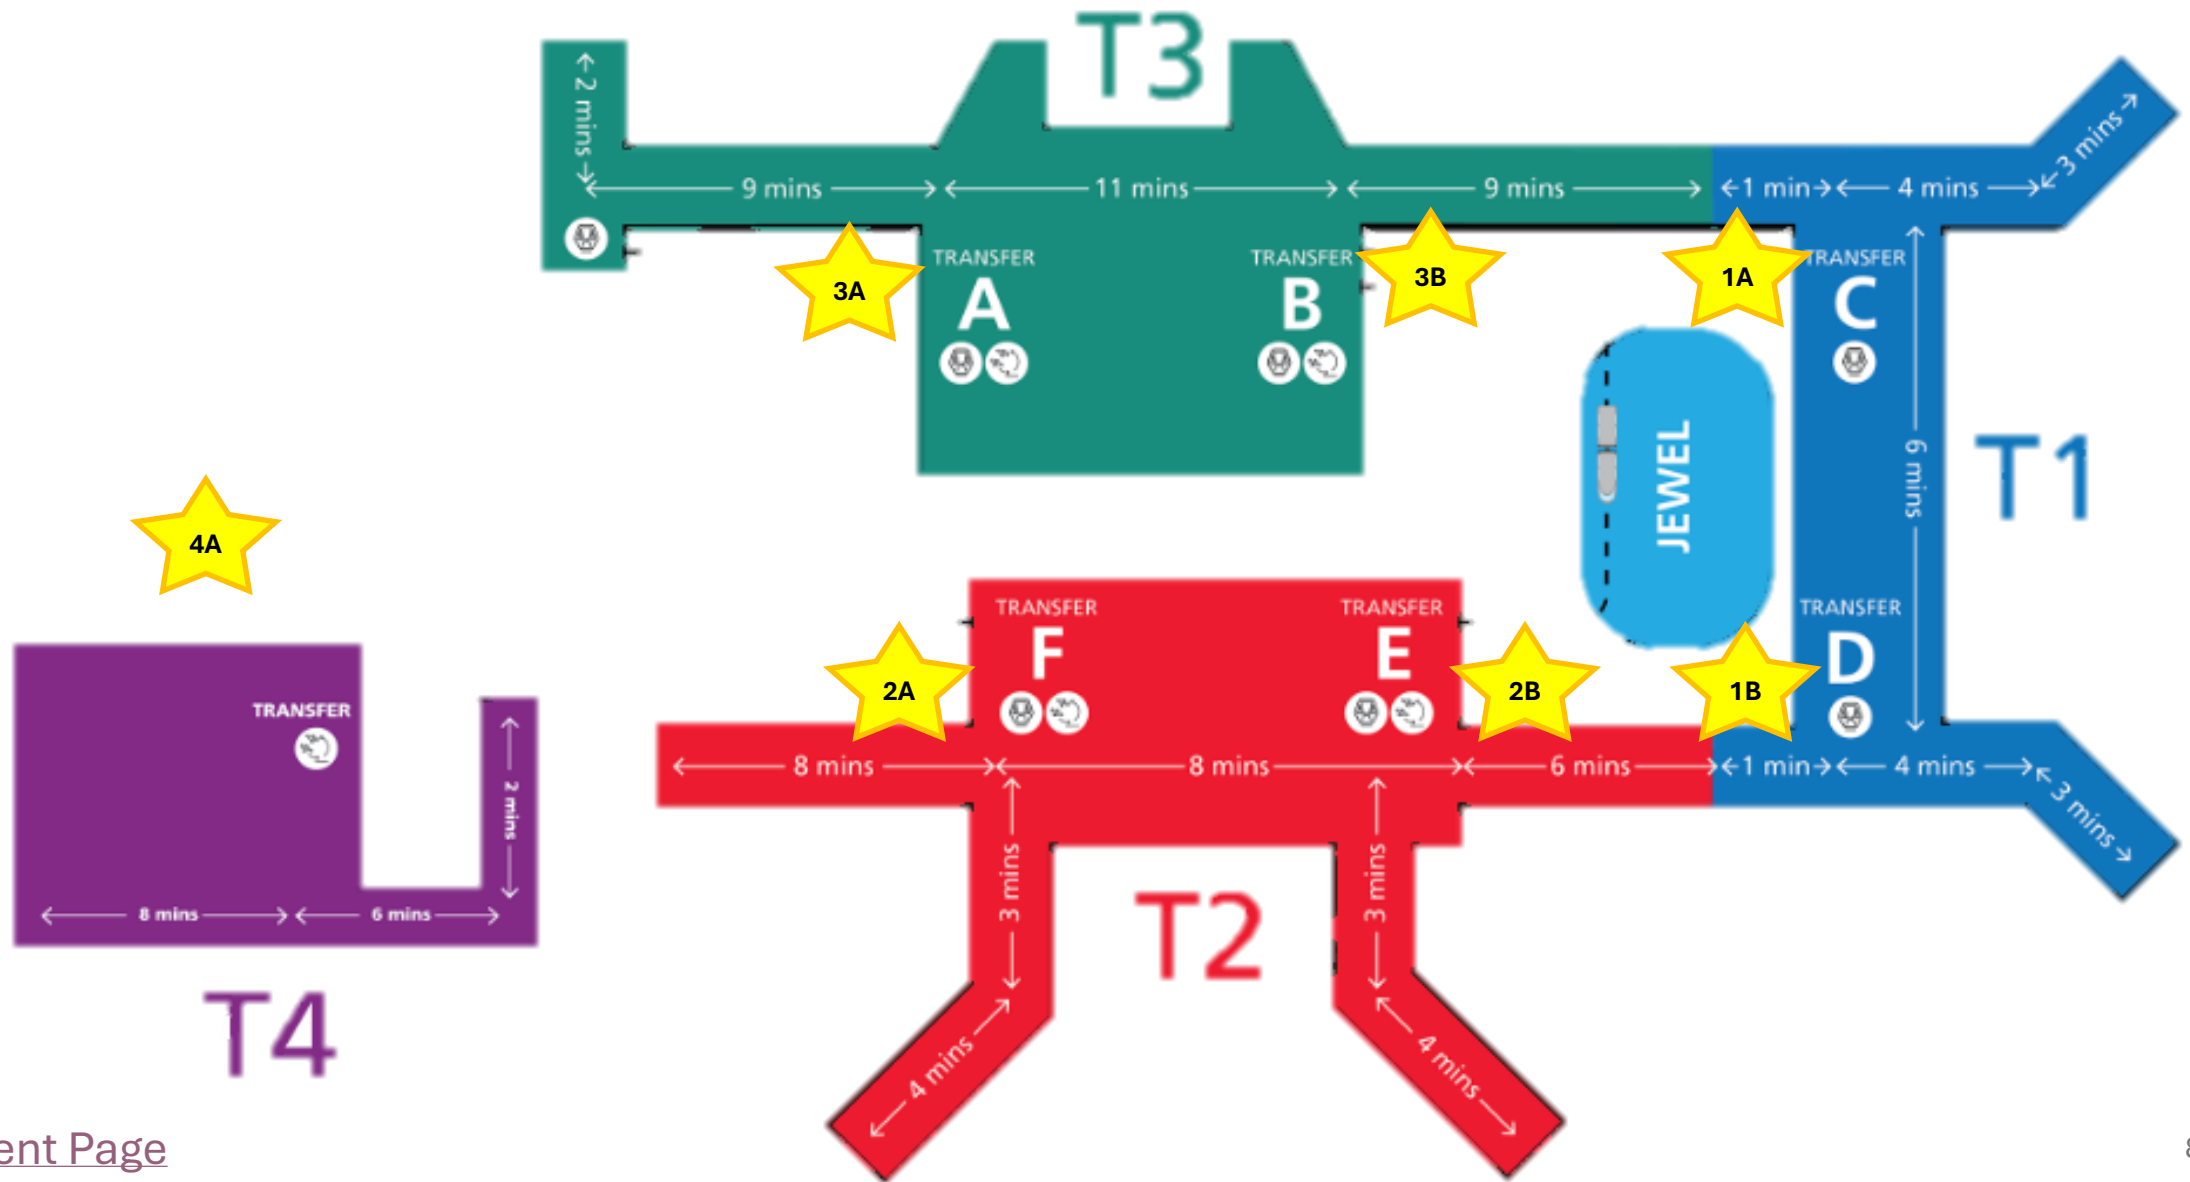

Ensure that you proceed all the way up or down the exit staircase using the direction sign and exit the stairwell.

Look out for this Assembly Area sign.

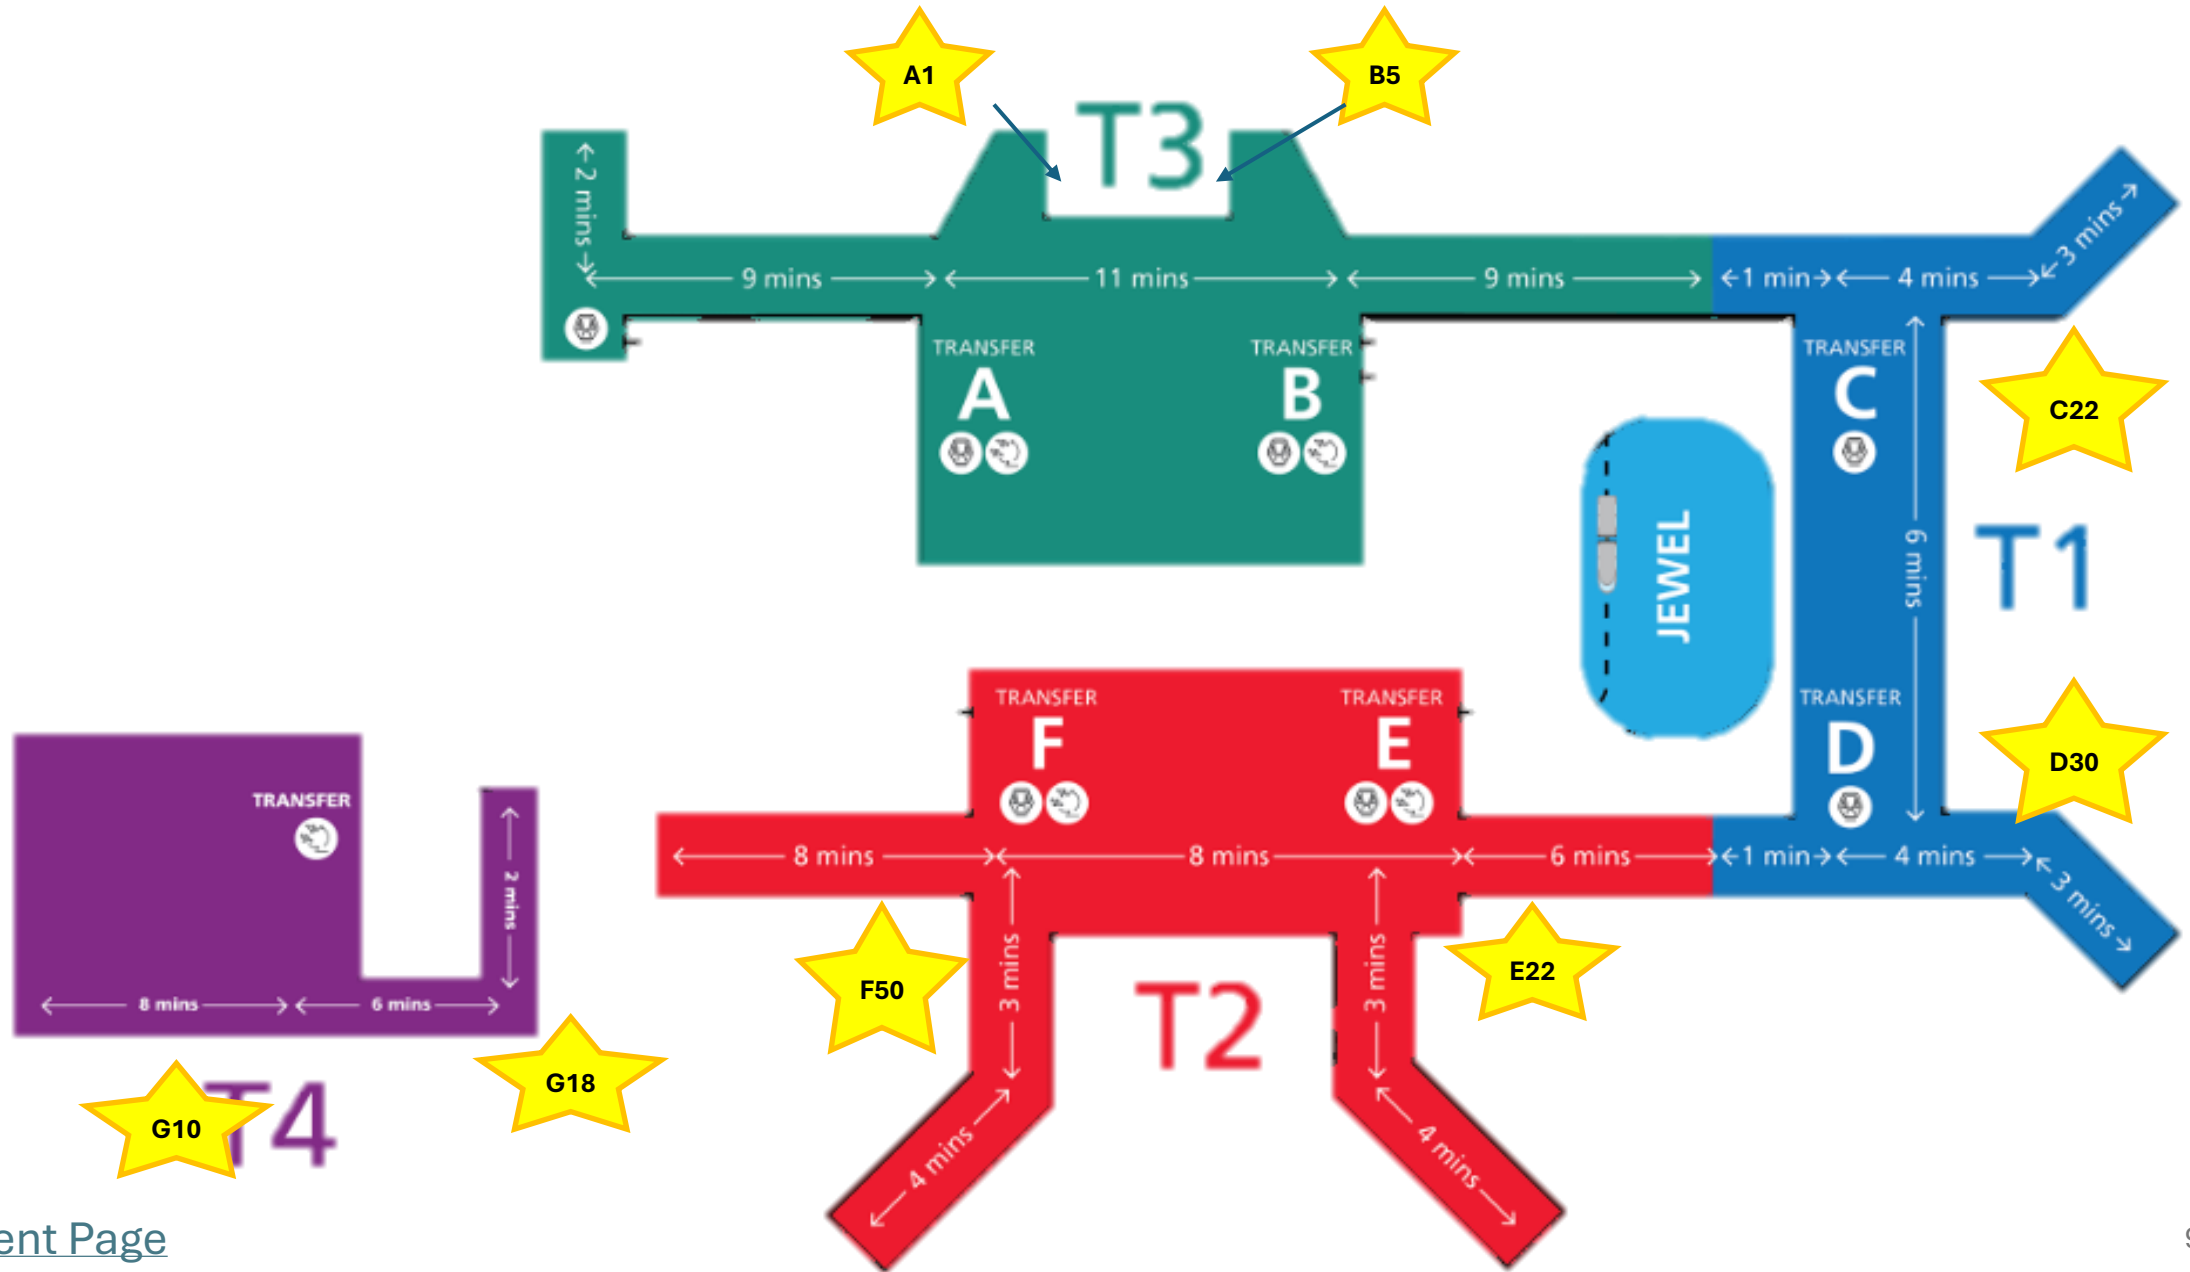

# Overview of Terminal Assembly Areas (Landside - Public)

# Overview of Terminal Assembly Areas (Airside)

# Airside Assembly Area

For airside assembly areas, all staffs are to direct occupants to proceed to the respective affected Terminal building assembly area.

A sample shown in this picture is where the assembly area will be located.

Once on-site, respective Company fire wardens will account for their staff headcount and shall report to SCDF/AES for any missing person who are untraceable/uncontactable.

*Note: Due to security reasons, CAG will not publish actual photos of Airside AA.*
